Library (Knowledge Resource Center)

The library in the college is automated by using e-Granthalya Software version 31 in the year 2011. The e-Granthalya is a digital platform developed by National Informatics Centre, Ministry of Electronics and Information Technology, Government of India for Automation and Networking of Government & Semi-government Libraries. The software provides a complete ICT solution for Library Computerization with Integrated Library Management System. The software is flexible to run on any operating system. It is the package bundled with library management modules. The software is based on Client-Server architecture.

The ILMS Software consists of modules such as Acquisition, Cataloguing Circulation, OPAC, News Clips, Micro-Docs, Serials and various types of Reports.

Now we are planning to shift on KHOA library management software which is globally accepted software.

Computers available - Total (7) - 1 for Server, 1 for Circulation, 1 for OPAC, 1 for Librarian, 1 for clerk, 2 for students to access the internet.
